

AMOSUN SAMUEL OLAMIDE

Project Manager | Tech, Finance & Insurance
+234 913 236 7278 • samuelamosun75@gmail.com • Lagos, Nigeria • linkedin.com/in/samuelamosun

Professional Summary

First Class graduate (4.50/5.00) with hands-on project and product delivery experience across technology, finance and insurance. Manages timelines, requirements and cross-functional delivery for CubeCover, a digital microinsurance platform, coordinating designers and developers on web and portal projects from kickoff through launch. Combines strong stakeholder management with practical data analytics (Excel, Power BI, MySQL, Python) and a growing interest in machine learning applications (fraud detection, risk pricing, forecasting). Led a product to the national finals of the CIIN InsurQuest hackathon.

Work Experience

- CubeCover | Project Manager***August 2025 – Present · Lagos (Remote)*
 - Joined as a Project Manager (Contract) leading prototype development of the enterprise broker portal, preparing documentation and coordinating cross-team calls; this converted into a Project Manager Internship in January 2026.
 - Support end-to-end delivery of the CubeCover website: defined timelines, milestones and deliverables from kickoff through launch and post-launch support (content, uptime, performance, security).
 - Specified structure, user flows and functional requirements for over 150 website and portal screens over three months, partnering daily with UI designers in Figma.
 - Conducted a competitive UX audit of the CubeCover website against leading Nigerian insurtech platforms and recommended prioritised improvements.
- Olara Beauty (Makeup Salon) | Data Analyst***December 2025 – Present · Lagos (Remote)*
 - Maintain full bookkeeping (sales, expenses, reconciliations) and track inventory to drive purchasing decisions.
 - Analyse sales and customer data to surface trends, guide promotions and monitor product-level profit margins and cash flow.
 - Build simple reports and dashboards that support day-to-day operational and pricing decisions for the business owner.

Leadership & Extracurricular Activities

- Team Ifokanbale, InsurQuest 2025 (CIIN National Hackathon) | Team Lead***2025*
 - Led a cross-functional team of four (fullstack developer, product designer, data analyst) to design and build Lift, an income protection product for semi-formal workers.
 - Reached 6th place nationally among competing teams.
- InsurQuest 2026, CIIN | Curriculum Sub-Committee Member***March – May 2026*
 - Supported event planning and drafted participant communications for the national programme.
 - Reviewed programme materials, flagging curriculum and eligibility issues before launch.
- Department of Insurance, LASU | Peer Tutor (Accounting 101)***2025/2026 Academic Session*
 - Provided free tutorials in basic accounting to the 100-level set.
 - Supported foundational knowledge-building for new students transitioning into the department.

Education

Lagos State University | B.Sc. Insurance*May 2023 – July 2026*
First Class Honours (4.50 / 5.00)
